Hi Emily!

She needs 2, I might have written it wrong, but only 2. The home the client is currently living in is two stories and older, so it has a lot more space to cover. The client also has some breathing issues and the nurse feels it is necessary for her to complete her pregnancy in a healthy way.

Thanks!
Megan

Hi Megan – We have provided AC units in the past, but never more than one 5,000 BTU window unit. Is there a reason the client needs three 10,000 BTU window units?
